Parent Survey Grades K-2
538 responses

Publish analytics

For families with more than one child in the district, it is only necessary to answer certain questions from our survey once. In order to save you time, please tell us if you have already answered a Parent Survey and we will skip those questions.
538 responses

- This is the first survey I have taken. 95.9%
- I have already answered the Parent Survey for another child. 4.1%
