Boys on The Right Track is a fun and active nine-week OUTDOOR program appropriate for boys ages 8-13 and of varying physical abilities. This is a non-competitive, no contact wellness program that meets twice weekly with a curriculum built to instill leadership, improve life skills and empower boys to practice emotionally and physically healthy behaviors while training them for a 5k. While following all guidelines per the CDC, State and County – Boys will safely make new friends, learn through fun games/activities and of course, enjoy running. Some insurance companies may even reimburse for the program – call yours and inquire if they cover. Financial Aid is available for those that need it. Spots are limited so register today!
