January 3, 2022

Dear Orchard Park Families:

The District was made aware of the following case(s) of COVID-19 that occurred during the break. Contract tracing has either been completed or was deemed unnecessary for all cases.

- Ten individuals tested positive for COVID-19 at South Davis Elementary.
- Twenty-one individuals tested positive for COVID-19 at Eggert Road Elementary.
- Fourteen individuals tested positive for COVID-19 at Windom Elementary.
- Forty-two individuals tested positive for COVID-19 at the High School.
- Twenty-five individuals tested positive for COVID-19 at Ellicott Elementary School.

You may have heard that the Centers for Disease Control (CDC) recently announced a shortened quarantine period for COVID-19. Please note that this change does not apply to student quarantines. Please see the NYSDOH website for further information.

Please continue to monitor your child(ren) for any illness, including symptoms of COVID-19, and have them stay home if they are ill.

I value our partnership in ensuring the success of all students.

Sincerely,

David Lilleck
Superintendent of Schools
