We are looking for room parents for the 2021-2022 school year. Being a room parent will look different than it has in year’s past, but we believe it will still be an important role in the classroom. Please take a look at the guidelines and responsibilities for being a room parent before signing up.

Being a room parent is a time commitment so be prepared to set aside time for activities that help contribute to the success of your child's classroom.

Responsibilities of a room parent:
- Contacting and reminding parents for party supplies.
- Organize, collect fund, purchase gifts for holidays, teacher appreciation, and end of the year.
- Complete any special projects for the teacher.

You must be an approved volunteer to be considered to be a room parent.

Each teacher's needs for room parents may be different, so it is important to contact the teacher and understand the expectations. We will provide you with all of the paperwork that you need to get to know the teacher as well as the families in your classroom.

If you are interested in becoming a room parent for the 2021-2022 school year, please visit the PTO website, sign in, and click on the volunteer tab.
