February 7, 2022

Dear Orchard Park Families:

I am writing to notify families that we will no longer be sharing the daily notification of COVID-19 positive cases in the district.

With the number of COVID-19 positive cases decreasing within our community and schools, as well as the decrease in the number of students that need to quarantine with Test to Stay, we believe it is unnecessary to continually communicate this information to parents. Parents will be able to access this information on our website on the COVID-19 Dashboard as we will continue to post to this site as required by the NYSDOH.

Finally, please continue to monitor your child(ren) for any illness, including symptoms of COVID-19, and have them stay home if they are ill.

I value our partnership in ensuring the success of all students.

Sincerely,

David Lilleck
Superintendent of Schools
