Join Cub Scouts!

This Cub Scout Pack and the Boy Scouts of America have developed a COVID Safety Plan that follows all State, and Local Guidelines. We are committed to offer the safest program as possible following all the best practices as recommended.

CUB SCOUTS BELONG TO PACKS AND DENS!
Every Cub Scout is a member of a Cub Scout Pack. The Pack is divided into smaller groups called Dens. Each Den has about six to eight boys/girls. The Cub Scout Pack meets locally in your community or neighborhood with volunteer adult leaders and parents and exciting things to do. Cub Scouting is designed to support and encourage family and community involvement. Boys/girls may join at any grade level. Kids have a blast participating in fun activities that teach them honesty, bravery, respect for others, and the environment.

LION: Now you can hear your Kindergartener roar as a Lion in one of these special Dens. Each Lion needs an adult partner to enjoy this family program.

Youth age 6 or in the First Grade works with their adult partner and their Den to Search, Discover, and Share.6208

WOLF: The WOLF rank is for boys/girls who have finished first grade

BEAR: The BEAR rank is for boys/girls who have finished second grade

WEBELOS: Are for boys/girls in the fourth grade and our fifth graders finish with the Arrow of Light.
