Welcome to the DDE: Orchard Park CSD Secondary Student Survey

Gathering stakeholder feedback is an important part of developing any school or district improvement plan. New York State Education Department requires Target Districts to conduct surveys of parents, teachers, and students twice a school year. The results of the survey will be used to understand needs and inform school and district improvement plans.

The DDE Agency partnered with OPCSD to develop the School Stakeholders' Survey, which addresses the following six tenets: Systems and Organization, School Leadership, Curriculum, Instruction, Social-Emotional Learning, and Family and Community Engagement.

We appreciate your input!

NOTE: Your individual responses to this survey are completely anonymous.
