The Orchard Park Public Library invites you to enjoy reading a picture book while strolling through the Village of Orchard Park, visiting local businesses along the way! Reading is the foundation of learning. Early literacy skills develop through positive interaction with books and other people. Let’s grow the joy of reading in our community!

Follow the storefront map from 1 through 13 to read the story from beginning to end. Collect a stamp card inside where indicated, collect five stamps and redeem the card at the Orchard Park Library for a prize!

The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library.

This StoryWalk® Project is funded by the Friends of the Orchard Park Public Library.
