**BASKETBALL CAMP FOR GIRLS**
Campers will be instructed in every aspect of the game of basketball. Individualized instruction will be provided in a fun-filled environment. Each day of camp will include one-on-one teaching, skill enhancement drills and team play. Here’s a brief summary of what you’ll get out of this camp...

**Improve Your Ball handling**- Considerable time will be spent on your dribbling and passing skills -- allowing you to reduce turnovers, handle any game situation, improve decision making, and improve overall ball handling skill.

**Improve Your 1 on 1 Moves**- You will learn how to beat your defender off the dribble, when to attack, how to create space, and how to develop a more explosive first move. In today's game, so many players misuse the dribble. They use it and lose their advantage against the defense. You will learn how to effectively use the dribble and cover more space with fewer dribbles at a faster pace.

**Improve Confidence**- During the camp, the coaches will teach the mental aspects of the game, help you build confidence, and become more aggressive. You will learn how to train your mind not just physical skills.

**Improve Decision Making**- You will improve your ability to think and act in decisive ways. The unique decision making drills and skills will help you perform under pressure at the highest level.

**Improve Shooting**- Shooting is a critical skill to be an effective player. You'll learn the keys to effective shooting and experience a variety of shooting drills to help you improve accuracy and ability to score points.

**Become More Aggressive**- One of the biggest benefits to the training camp is the development of a confident attacking mindset. The drills, tools, and knowledge you'll receive at the camp will help you become more aggressive and assertive in games.

**Improve Speed & Agility**- Throughout the camp, the coaches will integrate speed and agility drills to help you improve defense, your first step, and overall agility.

**Finishing Moves**- With a ball in your hands throughout most of the camp, you'll get opportunities to improve your finishing moves and ability to finish at the basket. You'll learn what to do with the ball after you beat your defender and how to score more points.

Campers will leave with a better sense of self and a better understanding of what it takes to be successful in basketball and, in turn, every aspect of life. We will address technical, tactical and applied aspects of basketball that will help a player develop their game beyond the level they are currently at.

ORCHARD PARK COMMUNITY SUMMER BAND

Now beginning their eleventh season, the Orchard Park Community Summer Band will again be offered to our community through Orchard Park Community Education and the Orchard Park Music Boosters! Please join us as we look to add this year’s performance to the longstanding tradition of summer concert enjoyment in our community. Last year’s band numbered almost 70 members, ranging in age from 14-60+, and we welcome more! This year’s theme is “From Sea To Shining Sea” and Music Director Don Carducci will again lead the group along with Associate Conductors Mrs. Sarah LaPaglia and Mrs. Alicia Dormann. The band is open to all adults with prior experience playing in a concert band setting as well as any students enrolled in the high school band program in the fall. Please take advantage of this opportunity to join alumni and friends of the Orchard Park Band Program in celebrating our love of music. Each year, more and more “old timers” join to rediscover their joy of playing in a band again. This is a great opportunity to “dust off” your instrument and have some fun making music with others! As the old Chevrolet commercial encouraged “See the U.S.A. in a Chevrolet!,” we encourage you to come hear us “Play Our Way Across The U.S.A.” with musical selections that reflect the cities, geographic wonders, and pride in our great nation.
