### PEE WEE SPORTS Ages 3-5 years (with adult)

YMCA Buffalo Niagara is committed to providing a fun and educational first sports experience for your child. Our Preschool Sports programs introduce children to the game, rules, and fundamental skills of the sport. Our program also concentrates on teaching good sportsmanship, healthy competition, and building positive relationships between participants.

### YOUTH SPORTS Instructional Co-Ed Classes for 6-12-years old

Youth sports programs help children develop fundamental skills and incorporate teamwork through instructional play. Whether it's gaining the confidence that comes from learning to play or building the positive relationships that lead to good sportsmanship and team work, participation in any sports program at the Y is focused on developing our youth while promoting healthy living. In addition, participants will learn the rules of the game and engage in team play while having fun.
