

Dear Parents,

Starting the week of September 14th, we will be celebrating “Color Days.” Each day of the week, your child is asked to wear a specific color of the rainbow if they would like to participate. In the classroom each day we will focus on the specific color by making crafts, learning poems, talking about items that are a particular color, and becoming familiar with our color words. Listed below are the dates and colors that we will be following.

Thank you!
