Every child is different. Some need more help than others. Where does a parent or guardian find information? What services are available? We are here to help.

What is SEPTSA?

(Special Education Parent Teacher Student Association)

It's part of the New York State PTA and national PTA. SEPTSA was designed to build strong partnerships among parents, teachers, students, administrators, existing PTAs and the community, for the benefit of families and children in need of special education and/or individualized services.

Who are SEPTSA members?

- Anyone that has an interest in the welfare and well-being of **ALL** children in our community
- Parents, guardians, families, teachers, students, school administrators, friends, etc.
- Membership is open to all community members

You're invited to attend our monthly virtual meetings. There will be discussions, updates, networking and occasional guest speakers.
