

WELCOME BACK TO SCHOOL & SPORTS!

QABC is offering an Online Apparel fundraising store!

Hello everyone,

The Quaker Athletic Booster Club would like to welcome everyone back to school this year. We hope this email finds you well. This school year and the athletic seasons will look very different from past years, but we are excited to return to school and look forward to an exciting fall season. We can't wait to start cheering on our student-athletes! There is no better way to show your support for our athletes and teams than to wear our **OP** gear proudly!

We have just opened an [online store fundraiser](#). Due to Covid, we were not able to hold our annual golf tournament this summer and, we will not be opening the concession stand this fall so, we have decided to run these stores for each sport season. The money raised through these fundraising stores will help us support OP Sports and Athletics especially during this difficult time of tight budgets.

The Fall store is **now open until September 28, 2020**. The store has generic OP/Quakers gear as well as sport specific items for Tennis, Girls Swimming & Diving, Soccer, X-Country and Field Hockey. These items come in all sizes- (men, women and youth). Items will be shipped directly to your home. The store is only open for a short time so that the items can be shipped out to you in a timely manner (2-3 weeks after store closes).

We will have future stores for the winter and spring seasons to include the other sports.

Click the link to go directly to the store and start shopping. Thank you so much for your support! Please share this store with family and friends and contact us with any questions

Go OP!
