

Adult Services Fair & OPWDD Official Front Door Session

Wednesday, November 20, 2019
The Summit Center
(150 Stahl Road Getzville, NY 14068)

OPWDD Official Front Door Session (5 - 7 p.m.)

The Front Door is the way the Office for People With Developmental Disabilities (OPWDD) connects people to the services they need and want. Once you "enter," a person-centered planning process begins which helps you learn about and access service options taking your needs and desires into consideration.

It will also give you the chance to direct your own service plan or help your family member or loved one as they direct theirs. This information session will outline the process of to become eligible for OPWDD supports and services, the types of supports and services available and where you can go to get assistance.

*If you haven't already, you MUST attend a Front Door session and receive a certificate for your child to be eligible for services after they graduate from school.

**You must register in advance for this session
by calling 716-810-7727.***

Adult Services Fair (6:30 - 8 p.m.)

Representatives from several local agencies will be onsite with information regarding available programming for adults with disabilities.

This is a great opportunity for parents and professionals to see what services local agencies have to offer and to develop contacts with these agencies.

Who should attend: parents of students with developmental disabilities ages 16 and up, Care Coordinators, Transition Specialists, classroom teachers
