Dear Ellicott Families,

At this time, we are continuing to plan for in-person Open Houses. The dates and times are listed below.

In order to ensure the health and safety of all, we are asking the following:

- No students or younger children attend the Information Night.
- Limit attendance to **one adult per student**.
- If the student has a two-house family, we will allow two adults per student.
- Masks are required.
- When inside Ellicott, refrain from touring the building and instead head directly to your child's classroom.
- Review the Health Screening Questionnaire before arriving. If you answered, "Yes" to any of the questions, stay home, do not attend the Open House.

If these plans change, we will communicate to the community.
