### **Approval of 01/09/19 Meeting Minutes (Lisa Taips):**

Minutes approved by Natalie Joseph & Debbie Munson

**Officer Kristen Mazur** came and spoke to the group about the DARE program. She advised that all the PTO funds donated go to the DARE program only, not anywhere else in the department. She had a presentation in which she provided details about the program itself. She advised she could be contacted if there is anything that should be addressed or if there are any suggestions.

### **Principal's Report (Mrs. Mampe):**

...Mrs. Mampe advised that no one should be using the bus loop for pick up or drop off.

...The musical is this Wednesday & Thursday. There is a lot of excitement in the school because of this, and everyone has been working hard.

...She advised that there had been a Facebook post regarding a sick child at the school. People had been looking for additional information for donations, etc. She said that the school can't discuss another child with anyone else due to privacy concerns.

### **President's Report (Anetta Hendershot):**

Anetta advised that they had an in-service meeting with CCPTO. This included an outside auditor & the treasurers from the other schools. Natalie was there. She reported they reviewed the tax-exempt status. The schools need to work to make sure this isn't jeopardized. She does have the tax-exempt form for the chairs who need it. People can't be reimbursed for taxes. Transparency is key. Turkey donations to be taken over by OPTA. Also, there should be a limit on reserves carried over to the next year.

Anetta passed out thank you notes received.

She asked that receipts from past events be turned into Natalie.

Open positions discussed – a list was passed out. March meeting 03/06/19 @ 6:30pm due to a conflict.
