

2) Explain how this government agency fits into federalism and functions as a government entity. Is your agency a federal, state or local entity? What powers is that government entity using (delegated, reserved, concurrent?) and explain why. (You may need to use the U.S. and/or N.Y state or club Constitution etc. to find this information.) How does the work of this government official/club/entity relate to federal, state or local government functions?
