2) Explain how this government agency fits into FEDERALISM and functions as a government entity.

- Is your agency a federal, state or local entity and how does the work of this government official relate to federal, state or local government functions ?

- Explain how the government entity you viewed is using delegated, reserved or concurrent powers and explain why. Check this link for help: [Powers of Federalism](#)

3) Use three vocabulary words from the following list: [Mrs. Feeley's AP Gov Vocab list](#) or your textbook and explain how the government agency/official/and/or work you did relates to those vocabulary words. **YOU MAY NOT USE FEDERALISM or DELEGATED/RESERVED/CONCURRENT powers as vocab words here:**
